

Montford Middle School Summer Reading 2010-2011

Montford Middle School's required summer reading program is an integral part of our curriculum. We have selected books designed to stimulate the imagination and enhance your reading enrichment. The listed books, chosen by our teachers, were selected because of their literary merit. We hope you will enjoy your summer reading and that it will motivate you to continue reading throughout your lives.

Our required assignment is to select one book from the appropriate list, read, and complete the reading assignment. It is due to your language arts teacher on September 8, 2010.
